

USU Data Analytics Student Seminar Series

Wednesday, 01-30-2019, 4-5PM, ANSC 118

What should I "git"?

Abstract:

- Have you been wondering what all the noise about 'version control' is all about?
- Have you been putting off implementing 'Git' because 'GitHub' is just overwhelming?

Come see how I use 'GitKracken' to save myself time and heartache while working in a reproducible and transparent way.
